

Learning Knows No Bounds

Marshall County Schools Power Hour Plus

Enrollment Open

We are excited to announce that Marshall County Schools will offer an afterschool program for students in grades K-6 in Lewisburg and Cornersville. Power Hour Plus will offer academic assistance and enrichment for all qualified students. Parents or guardians are asked to carefully review all information provided on this sheet prior to seeking placement for their child/children in the program.

This program is **FREE** and will begin on August 15. If you would like your child to attend the program, please complete the attached registration form and return to your school by Monday, **August 8, 2016**. The site coordinator will notify you in writing if your child will be

enrolled in the program. If not enrolled, your child's name will be placed on a waiting list and will be enrolled as space becomes available. If your child is enrolled, you will need to attend an orientation session to receive important information about the program.

Please note that bus transportation is not available this year. Dismissal will begin at 5:15 in Cornersville and 5:30 in Lewisburg.

Based on the grant design, first priority will be given to students who receive free or reduced lunch or who need academic support beyond the school day.

If you have any questions please contact your child's school or Tammy Lewis 359-1581.

How Can Power Hour help your child?

- Provide a safe place for your child after school.
- Provide homework help.
- Provide tutoring/instruction to improve math and reading skills or other academic subjects.
- Provide the opportunity for participation in fine arts activities such as music and art.
- Provide the opportunity for participation in a variety of recreational/sports opportunities.
