

**Marshall County Schools Office of Coordinated School Health 2017-2018 Active Permission Form
Notification of Screenings**

"Promoting and providing all students with an opportunity to live and learn healthy lifestyle behaviors"

Date: August 3, 2017

Dear Parent or Guardian,

Throughout the 2017-2018 school year, the Marshall County School System will be offering health screenings to all students in grades Prek, K, 2, 4, 6, 8 and Lifetime Wellness students. Trained individuals will complete all screenings with strict adherence to confidentiality of each child and adolescent screened.

Overview of Screening

Vision – All students in grades Prek, K, 2, 4, 6 and 8

Hearing – All students in grades Prek, K, 2, 4, 6 and 8

Blood Pressure – All students in grades K, 2, 4, 6, 8 and Lifetime Wellness students

Height/Weight – All students in grades K, 2, 4, 6, 8 and Lifetime Wellness students

Scoliosis – Scoliosis screenings are provided for all students in 6th grade. Licensed professionals will conduct the scoliosis screening.

If we screen your child and find any deviations from a normal screening, we will contact you concerning this matter. Please note there will be no charge for these services.

Please sign and return this form to either give your permission for your child to receive these free health screenings or to indicate you do not want your child screened this year.

If you have any questions or concerns, please feel free to contact us.

Thank you,

Deborah P. Wade /Mike Keny
